SENATOR LANDIS: Mr. Speaker, I'd move the adoption of the E & R amendments to LB 13.

PRESIDENT: Thank you. Motion is to adopt the E & R amendments to LB 13. All those in favor say aye. Opposed no. Motion carried. The amendments are adopted.

CLERK: Mr. President, Senator Beutler and Senator Kilgarin would move to amend the bill. Those amendments are on page 907 of the Journal.

PRESIDENT: The Chair recognizes Senator Beutler.

SENATOR BEUTLER: Mr. Speaker, members of the Legislature, I would move the adoption of the amendments that I am about to describe. The bill we are talking about of course is the merger of the county court with the municipal court in Lincoln and in Omaha and the merger of the probation systems in Lincoln and Omaha, juvenile court probation systems in Lincoln and Omaha and Sarpy County with the state's probation system. The bill, because of the entities that it deals with and the complexity of the organizations, is a 93 page bill collating literally thousands of details that must take place in the merger of these various institutions. Since it was on General File we have gone back one last time to talk to all of the municipal judges and to talk to all of the municipal employees to see if they had any more amendments of any type to be sure that everybody was satisfied. The amendments that we are presenting to you today are the result of those meetings and conversations.
